

AT CAMP SCALES.

General Orders Concerning General Grant.

GENERAL HEADQUARTERS,
CAMP SCALES, July 24th, 1885.

General Order No. 5.
The Commander-in-Chief is pleased to announce to the State Guard the death of General Ulysses S. Grant, United States Army, ex-President of the United States, after a lingering illness, at Mount McGregor, New York, at 8 minutes past 8 o'clock yesterday morning.

A nation mourns the loss of the dead soldier whose lofty patriotism, unswerving devotion to the cause of the Union in the late war, signal display of military genius and great achievements as a leader of armies won for him the admiration of the world and wrought his name in letters of undying light upon the highest scroll of martial fame. Our brethren of the North, grateful for his pre-eminent public services, hold him in deep and affectionate remembrance, and breathe his name with tokens of love and gratitude, as well as with memorials born of respect and esteem; while we of the South must ever regard the great warrior as one whose undimmed courage, devotion to duty, fidelity to public trust and splendid exhibitions of soldierly ability, have justly earned for him the proud position which has been accorded him by all men. But chiefly may we as men of the South, pay to his memory the tribute of our respect, for this cause, that at Appomattox he displayed towards the South's beloved chieftain and his brave followers, a spirit of generosity and magnanimity towards a fallen foe never equalled in the annals of war.

Standing with our brethren of the North, as it were in the presence of the silent dead, beneath the stainless folds of the flag of our common country, we may well forget all but this, that Ulysses S. Grant was one whose valor and generosity have added new lustre to the profession of arms and made yet more resplendent the name of the American soldier.

As a mark of respect to his memory the flags at Camp Scales will be displayed at half mast until retreat to-morrow, and during the hours which may be appointed for his funeral obsequies duties in Camp will be suspended.

By order of the Commander in Chief,
JOHNSTONE JONES,
Adjutant General.

PERFECTION

IS WHAT WE ALL AIM AT!

And today that we have attained to that is an untruth; but to say that by hard work and honest dealings we have established a business in Asheville that is a source of great satisfaction to us and to our customers, is to state "plain facts to a candid public."

In all known places in this world there are people who think that by sending their orders away from home they can get better and cheaper goods. For the benefit of such persons, we will make the following broad assertion, viz:

That we can duplicate any bill in our line, bought by parties outside the trade,

when freights and drayage are counted in; and in most cases that have come under our observation we have been able to save the purchaser from 5 to 10 per cent.

Then there are other parties who will order from New York a barrel of Sugar and box of Tea, and when out go to their grocer and buy 5 to 10 lbs. sugar and 1-4 lb. tea, and because they do not get them at same prices as they paid in New York by the barrel or box, will say that they can't pay such prices, and make another order and pay more than they would have to pay at home. Turks Island salt won't save such people.

We are glad to state that there are but few such people of Asheville, and that the great majority were quick to see that it was to their interest to buy at home. Not only the people of Asheville, but of all Western North Carolina, are availing themselves of the advantages offered by us in the way of

Low Prices for the necessities of life.
